

THE ALL-NEW MITSUBISHI  
**XFORCE**

BE THE FORCE

# BE EXCITING

Embrace the trendsetter lifestyle with your best suited partner for an exciting life.

SIGNATURE T-SHAPED HEADLAMPS

NEW GENERATION DYNAMIC SHIELD

STYLISH AND LARGE 18" TWO-TONE ALLOY WHEELS

SIGNATURE T-SHAPED TAIL LAMPS

HANDS-FREE POWER TAILGATE

Effortlessly access the trunk with the hands-free operation of the power tailgate and even save the preferred tailgate height opening with its memory function. (GT variant)

The all-new Mitsubishi XFORCE is the compact SUV that will take you forward with its stylish yet powerful design and SUV practicality, ensuring you comfortably lead the way with confidence.

# BE DYNAMIC

## 4 DRIVE MODES including Wet Mode

The XFORCE's unique drive modes adjusts power delivery, traction control, and steering effort for maximum driving confidence on various situations.

The WET Mode is specifically developed for ASEAN roads and weather.

NORMAL

WET

GRAVEL

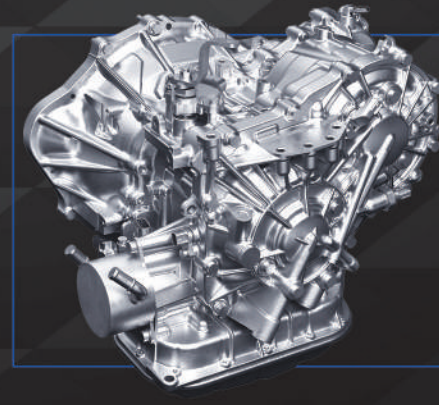

MUD

**1.5L Engine with MIVEC**  
For a powerful yet efficient drive.

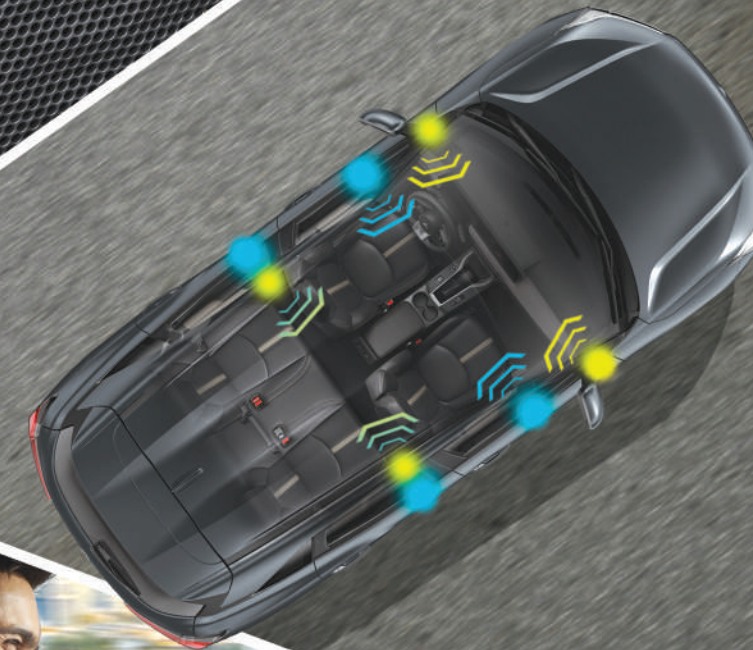

**New Continuously Variable Transmission (CVT)**  
For a smooth ride.

# DYNAMIC SOUND

Feel like you're in the best seat of a private concert hall with Dynamic Sound Yamaha Premium, with an 8-speaker system expertly tuned by Yamaha Sound Meisters to deliver in-depth realistic instrument sounds.

The system adjusts both equalizer and volume to match vehicle speed, ensuring an unparalleled listening experience.

### 4 DEFAULT SOUND TYPES

- SIGNATURE
- LIVELY
- POWERFUL
- RELAXING

## Advanced and Sophisticated Interior

Features a horizontal axis design to maximize space and provide an intuitive understanding of the vehicle's stance in various road conditions.

GT interior shown

8-inch Digital Meter Display

White Mélangé Fabric with Soft Padding (GT variant)

Ambient Lighting (GT variant)

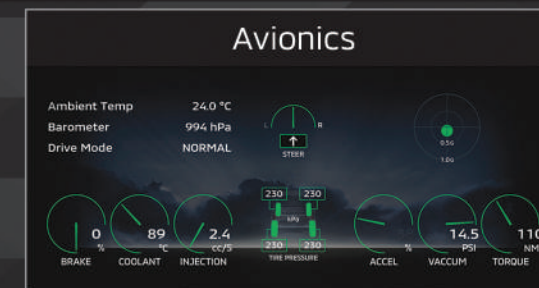

GLS Interior

## 12.3-inch Touchscreen Smartphone-link Display Audio (SDA) with Wireless Apple CarPlay and Android Auto

Seamlessly integrate your smartphone and explore vehicle information on a captivating, intuitive display.

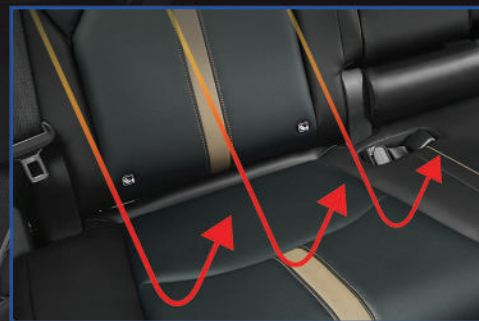

### Customizable Vehicle Information Display

# BE FREE

Every drive is a freeing experience with the XFORCE's luxurious, versatile interior—where design meets comfort meets innovation.

Comfortable Leather Seats with Heat Guard (GT variant)

8-Step Reclining Rear Seats

## Only fresh air with Dual Zone Climate Control with nanoeX

The XFORCE's air conditioning has built-in nanoeX technology which purifies and deodorizes the air circulating in the cabin. Its toggle and piano button switches ensure intuitive operation.

## Smart Storage Spaces and Charging Solutions

Wireless Smartphone Charger (GT variant)

Center Console Box with Cooling Function

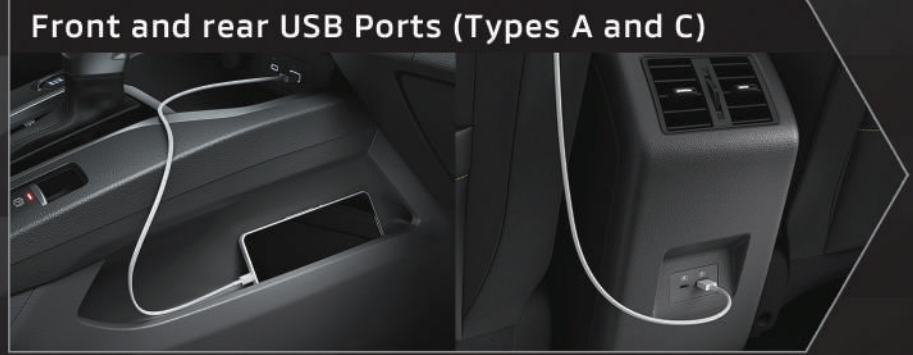

Seat Under Tray

Versatile Cargo Space

Multiple Pockets

Front and rear USB Ports (Types A and C)

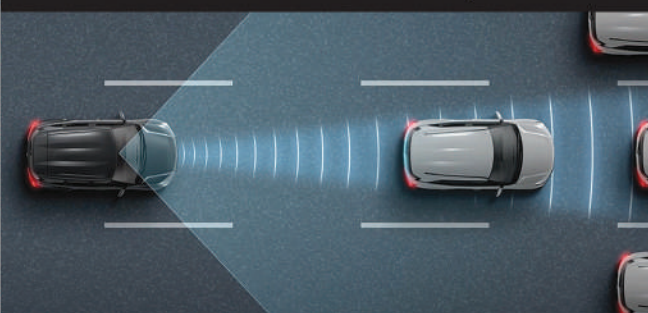

GT interior shown

# Advanced Driver Assistance Systems

(GT variant)

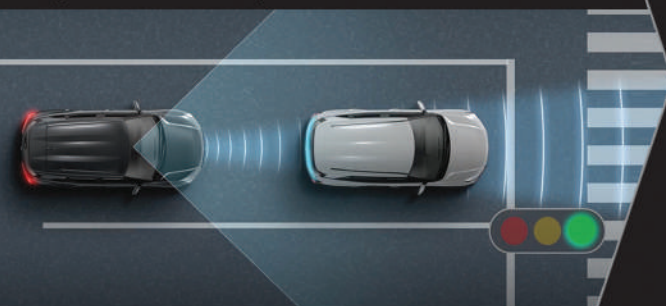

## Adaptive Cruise Control (ACC)

Reduces fatigue by not only allowing you to set your desired speed but also adapts based on the distance set from the car in front of you.

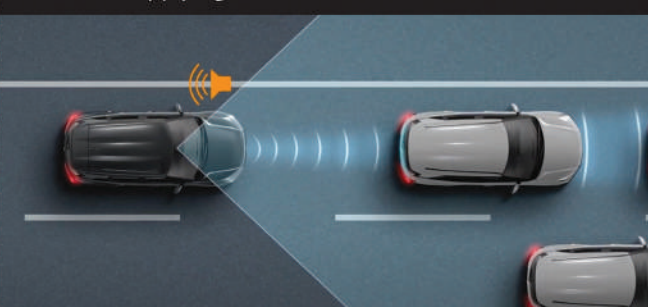

## Leading Car Departure Notification (LCDN)

Alerts you when the car ahead starts moving so you can resume your drive.

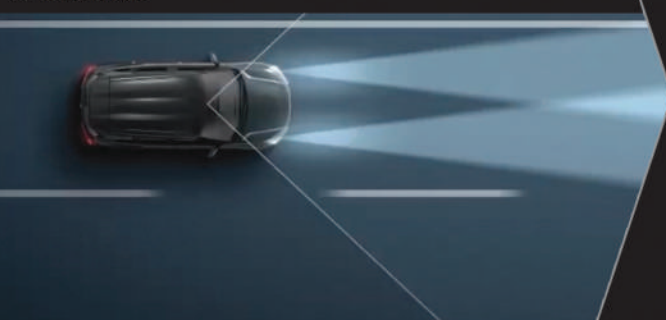

## Forward Collision Mitigation System (FCM)

Detects and mitigates potential collisions, alerting the driver and applying brake force as needed.

## Automatic High Beam (AHB)

Automatically switches from high beam to low beam whenever oncoming vehicles or traffic in front is detected.

## Blind Spot Warning System (BSW)

Stay confident with alerts for vehicles approaching in your blind spot.

## Rear Cross Traffic Alert (RCTA)

Back up onto the road with ease and be alerted of approaching vehicles.

# Effortless Journeys Ahead

Leading the trend means exuding confidence in every endeavor. Seamlessly integrated into the XFORCE are these advanced features that help you stay focused on the journey ahead.

## 6 SRS Airbags

\*Side curtain airbags exclusive to GT variant

## Auto Lighting Control

(GT variant)

## Electric Parking Brake with Auto-Hold Function

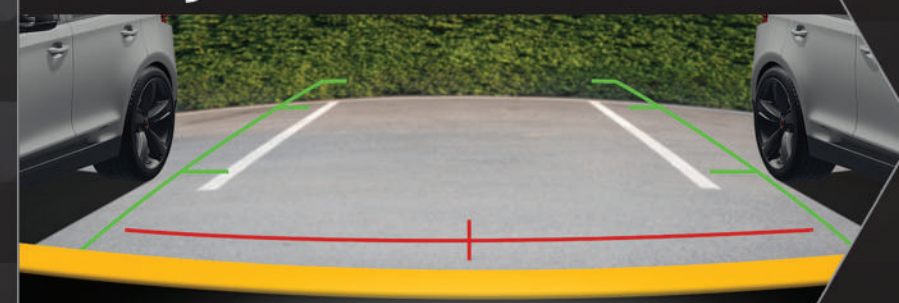

## Tire Pressure Monitor System (TPMS) (GT variant)

## Active Yaw Control

## Reversing Camera
